Whaly 620 / 620R Professional

The Whaly 620 / 620R Professional is an incredibly robust, double-walled boat manufactured from high-grade Polyethylene – it's almost unsinkable and indestructible. The R-versions are even stronger, making it the preferred choice for professional use as a workboat, though it is very suitable for rescue operations too. Furthermore, the Whaly 620R Professional is available with an outboard engine up to 115 hp – very handy when speed is of the essence.

This boat is low-maintenance and is produced in 100% colour-fast Polyethylene.

The specifications will certainly convince you of its quality.

EC type Certificate; Assessed according to Directive 2013/53/EU and meets all applicable essential safety requirements.
